President's Message

Hello Friends,

During those difficult and uncertain times during the 1950's who could ever have imagined that we would survive and live to see the year 2014 and experience the many changes that have occurred in our life through the years. One of the highlights of my life, since being returned to freedom, has been the opportunity to re-connect and enjoy the fellowship with my many EX-POW friends at our annual reunion during the past 38 years. While I am deeply saddened by the fact that our association will be dissolved this year at the 39th reunion, I do have many fond memories from the past that I will cherish the remainder of my lifetime. I hope that many of you will join with us at our reunion this year as we reminisce about the good times and put the bad to rest.

Through the generosity of our membership and others who have supported us financially through the years, our present financial status will permit us to show our gratitude for that support by providing a free banquet meal to all Korean War Ex-POW's and one guest who attend the banquet on Saturday night. All surviving spouses of Korean War Ex-POW's who attend the banquet will **also** receive the free meal.

Also, the \$7.00 planners fee will be free to all Korean War Ex-POW's and one guest **who pre-register with Armed Forces Reunions prior to the deadline of July 1st, 2014. All surviving spouses of Korean War Ex-POW's that pre-register will also receive this benefit.** All other attendees will be required to pay the \$7.00 fee.

To further encourage pre-registration, a drawing for \$300.00 cash will be held on Friday night for all those in attendance **who pre-register prior to the deadline. Remember, you must pre-register with the hotel and Armed Forces Reunions prior to the deadline of July 1, 2014 to be eligible for this drawing.**

President's Message, cont.

As noted in the December newsletter, due to contract stipulations it is critical that your room reservations be made with the hotel **prior** to the deadline of June 28, 2014. We must adjust our room block at that time to coincide with confirmed reservations in order to prevent a costly attrition fee. If you must cancel you will receive a refund if you notify the hotel 24 hours prior to your arrival date.

In case you did not receive the pertinent information relating to the hotel reservations, the host hotel is The Brown Hotel located at 335 West Broadway Louisville, Kentucky. The dates are July 27 - August 3 or any part thereof. The phone number to call for reservations is 502-583-1234. The room rate is \$110.00 per night.

When you pre-register with Armed Forces Reunions be certain to include the names of all those in your party in order that a packet can be prepared in advance with name tags, banquet tickets, tours, etc. This helps greatly to prevent a backlog and so much confusion at the registration desk.

As noted on the registration form, the meals request is separated into two categories indicating the Korean War Ex-POW's and one guest, along with the surviving spouse of Korean War Ex-POW's meals are free. All others should order from the first category with the price listed.

We will strive to make the surviving spouse brunch both enjoyable and memorable this year, but we need your co-operation. We encourage all surviving spouses to take part in the gratis function. However, due to contract stipulations we must provide a guaranteed number of attendees three days prior to the event. Therefore, if you are a surviving spouse and plan to attend the surviving spouse function, and we hope you do, **you must notify Peggy Sullivan three days in advance of the function.** Peggy's phone number is XXXXXXXX. **We will be unable to accommodate walk-ins as in the past.** Also, if you are bringing a paying guest (not a surviving spouse) you should let Peggy know in advance.

As noted on the activity schedule, we are planning something different this year. A reception and social hour will be held in the hospitality room for all attendees prior to the dance on Friday night. This is sponsored by the Association and promises to be a fun time. Make certain that you plan your schedule to include this activity.

Our good friends, Tammy Hunt and Lori Smith, have volunteered to continue publishing the newsletter after the Association has been dissolved. This is great news, in that we will still have means of contact after the dissolution of the Association. There are some details that must be worked out, but this can be handled at Louisville. This will be discussed at the general business meeting and the decision published in the September newsletter.

There will be no raffle activity this year, but we want to thank those who have contributed so generously to this cause in the past, especially Peggy Sullivan, Joann Siebert and others who have spent so much of their time each year to make this activity so successful.

On a sad note, among the other friends we have lost since our last reunion, our good friend, Nick Nishimoto from Hawaii, passed away January 23, 2014. Nick was truly a friend who was dedicated to the POW cause. For many years he stood by at the airport to take part in receiving the remains of

President's Message, cont.

MIA's as they returned home. Nick will be sadly missed by those of us fortunate enough to have known him and shared his friendship.

Liz and I, along with Willie Freeman, had the opportunity to visit The National Historic Site at Andersonville, Georgia, during the weekend of January 17 and participate in the ribbon cutting ceremony and also the premier viewing of the "Victory Within Traveling Exhibit" that will be on display throughout the country starting later this year. Although the exhibit does not compare with the display at The National Historic Site Museum at Andersonville, it does describe the plight of prisoners of war from the Civil War up to the present conflicts, including the Korean War.

Although we were not successful in bringing the Exhibit to Louisville, Alan Marsh from the Andersonville National Historic site will be at Louisville to bring us up to date on the plans for the exhibit. He will be recording oral history videos with those who have not previously participated. If you have not had your history recorded, please find Alan at the reunion and do this very important activity.

Our association was founded in 1976 at Louisville, Kentucky, with 12 members in attendance. Now, 39 years later we are returning to Louisville, but there are only 2 of the 12 original members still living, myself and Donald Ryder from Harwich, MA. Although Donald's health is failing, he does plan to be at Louisville this year. It's been a good ride for 39 years but now it's time that we bow out gracefully. We hope to see many of you at Louisville for the last hurrah.

Enough said, Bill Norwood, President

CHAPLAIN'S CORNER

Hello to all our friends and families!! Hope all is well. When I think about this being our last reunion, it saddens me. Then I think back to all the years that we have been able to meet. I thank God that He has allowed us those years and all the blessings that have come with them. I think about those that have never been able to come to any of the reunions and all they have missed. I will always remember the good times we have enjoyed. But, I know, that all good things must come to an end eventually and I will always cherish and remember you in my prayers.

In Psalm 4: 1-3, it says; Answer me when I call, O God of my righteousness. You have given me relief when I was in distress. Be Gracious to me and hear my prayer. But know that the Lord has set apart the Godley for Himself; the Lord hears when I call to Him. I will praise His name with singing and I will honor Him with Thanksgiving.

In Jesus Name, Amen
Your Chaplain, Norman Hale

**Operations Little Switch and Big Switch:
The Repatriation of Korean War Prisoners of War and the Aftermath**

By Arden A. Rowley, Maj. USA (Ret)

Arden A. Rowley became a prisoner of war while serving with the 2nd Engineer Combat Battalion, 2nd Infantry Division on 1 December 1950. During the next 33 months he was interned in five POW camps in North Korea, experiencing and witnessing, first-hand, the harsh conditions and treatment meted out by the North Korean and Communist captors. He was repatriated in Operation Big Switch on 18 August 1953.

There are many scattered accounts of the repatriation of Korean War prisoners of war in Operations Little Switch and Big Switch (April and August-September 1953). This account of those two operations is a compilation of many writings, articles, statements and photographs giving a complete and cohesive account of Korean War POW repatriation by which thousands of POWs of both sides gained their freedom. *Operations Little Switch and Big Switch: The Repatriation of Korean War Prisoners of War and the Aftermath* is the most complete account of these operations under one cover. The publication of this book coincides with the commemoration of the 60th anniversary of these events. Maj. Rowley is the Historian of the Korean War Ex-POW Association.

This publication is 250 pages and is an 8 ½” X 11” hardbound edition with Smythe-sewn binding and matte, acid-free pages for superior photo reproduction.

Features:

- Truce Talks and the Prisoner of War Question
- Operation Little Switch (Release of sick and wounded POWs)
